Managing your career ... and your finances with Mrs Moneypenny

Join us for a private mentor dinner with Mrs Moneypenny, the famous FT columnist, former investment banker, star of TV programme on managing personal finances (*SuperScrimpers*) and author. Mrs. Moneypenny will discuss a career that has involved senior positions in large financial institutions in London and Tokyo to the management buyout of a business that she currently runs with her fellow owner directors. A great personality, communicator, and well-known speaker, join us to learn how Mrs Moneypenny has embraced the many challenges and opportunities she has met throughout her career. As a working mother and with numerous hobbies and interests, Mrs Moneypenny will also touch on how she manages to juggle the demands of her work and her life.

Mrs. Moneypenny has an MBA from the London Business School and a PhD from the University of Hong Kong. She is a visiting professor at Cass, City University Business School, and a trustee of a major educational charity. Mrs Moneypenny is married and has three children who she refers to as the Cost Centres. In March 2011, Mrs Moneypenny published a Tsunami Relief Edition of her book "Email from Japan," sales from the proceeds of which all went to charity. AWF was privileged to receive a number of copies of this book that have been sold at recent events to raise money for relief work. Copies of the book will be available to buy on the evening.

As the author of a soon to be published book entitled "Mrs Moneypenny's Careers Advice for Ambitious Women" we can think of no better mentor for AWF. Join us!
