There is an old saying in old Japan, 出る杭は打たれる (The nail that sticks out will get a pounding). But, in our globalizing world, sometimes our old sayings no longer apply.

Let's stop self-downplaying. It is time to greatly expand your comfort zone. This workshop will help you to acknowledge your core strengths and how to optimally project them.

Jack Nicklin is a senior partner/executive coach at the Globus Consulting. He has been a communications consultant in Asia since 1990 and an executive coach in Asia, Europe and the United States since 1997. His clients include government officials and senior financial firm executives.

PLEASE NOTE: This event is a workshop rather than a seminar and is only open to employees of our corporate members and students.
